

CATALOGUE 2025

The Lines

COMFORT line

Where security blends with pleasure & efficiency.
Transforming the weekend warrior's dreams into reality.

SPORT line

Bringing technologies and design that add genuine advancements, driving performance and handling.
For pilots who demand that extra edge of performance for the real in-flight sportive experience.

SPEED line

Where precision meets unmatched velocity. Speed Line delivers agility and power for pilots who demand rapid responsiveness all based on uncompromised reliability. Need for speed and adrenaline, guaranteed.

LIGHT line

Where the purest blend of materials, design & innovation actualise feather weight solutions.
For the purist, adventure enthusiast, through to the hike & fly athlete.

We strongly believe that true performance & pleasure is born from the right match of pilot to wing. Our Lines Series clearly & logically define the different facets of our beautiful sport. We say, 'simply choose your style'. With the Lines Series, we make this choice as easy as possible so that you can begin to realise your full potential.
